I have had only 7 photoshoots to-date, ranging from bikini, lingerie, glamour and nude. I have had photos published in 2 magazines. I love modeling and want to gain more experience and keen to try new scenarios. I was born and live in Thailand, but I really enjoy traveling and meeting new people. I also love meeting and working with talented photographers. Modeling nude gives me a real buzz and is a great confidence booster. I would love to model with other girls. Possible future shoots include girl/girl and also nude in public. Here's hoping...

Hey there. I'm Stephanie Lauren! I've been modeling for roughly 6 years and I absolutely love what I do! Photography itself has always been a huge passion of mine, so being able to shoot and create as a career has been a dream come true! I adore the people I work with very much. Aside from modeling, I am also a licensed cosmetologist. That being said, I do arrive with my own wardrobe, hair and makeup ready. I shoot a wide range of genres, so my portfolio is pretty diverse. I manage/own Elk Creek Studios as well. It is truly an honor to be featured in Hunnie Magazine. Thank you so much! Cheers!

**Q: What is your Sexiest Feature?**

A: The whole package,  
face and body.
